Tour Guides: At this time we do not have tour guides for our museum nor memorial. They are designed to be self-guided. However, we do have staff at each location that will happy to answer any questions you may have or to be of assistance as needed.

Walking: The sites are less than a mile apart and on foot maybe a 20 minute walk (there is an incline, hill). Walking or driving you will pass the Rosa Parks Museum. My suggestion would be to drive to each location since you will have to do a good deal of walking at both sites.

Restaurants: There are several restaurants in the area that you may want to consider dining at. I have listed them below.

At this time there really isn't a space for a group to 'debrief' however, if you would like to check to see if there is an opportunity for a presentation for your group in conjunction with your visit to the sites, I suggest contacting Kiara Boone, at kboone@eji.org or 334-269-1803 and just ask to speak with her.

Reservations: I strongly suggest that you make reservations once you have decided on the date that you would like to visit and you have the number of people that will be in your group. This is to insure that your entire group would be able to enter the sites together. Payment in full is required at time of reservation. When you are ready to begin your reservation, please contact Guest Services at 334-386.9100.
